3. In this view, you will see:

- a. Aid that has been "Offered" (aid you have not accepted)
- b. Aid that has been "Accepted" (aid you have accepted)
- c. Other awards (like Work Study)

You will see the amount by semester (Fall and Spring) and then the total for the year and the amounts which have "disbursed" to your account.

PLEASE NOTE: Many tuition waivers will not be reflected as "disbursed" due to the nature of the award, however they are typically applied to the CSC account balance when the bill is first generated.

Check the Accounts tab and view the Account Activity to see exactly what has applied to your account balance.
